# Rental Agreement

## 1. Definitions:

- Westcon Equipment and Rentals Ltd., hereinafter referred to as “Westcon” is the company identified on the first page of this Rental Contract from which the customer has rented equipment.
- “Customer” means the company, person or entity identified on the first page of this rental contract, including any employee, officer or agent of the Customer.
- “Equipment” means any of the items identified as such on the first page of the rental contract including accessories or attachments picked up by, or delivered to, the Customer.

## 2. Rental Period/Charges:

- Customer is responsible for, and will pay Westcon upon demand, all rental, sales, mileage, transport, fuel, service, damage and environmental charges, as well as any other charges associated with this agreement.
- Charges commence when Equipment leaves a Westcon location and end when the Equipment is returned to a Westcon location during normal business hours in an acceptable condition described in this agreement. Customer’s right to possess Equipment terminates on expiration of the Rental Period. Time is of the essence.
- Rental rates for normal, one-shift usage are based on an 8 hour day, 40 hour week, and 160 hours per 4 week period. In the event that Equipment is used longer than times specified above, overtime rental charges will be payable as follows: an hourly rate of 1/8th of the daily charge (daily rental), 1/40th of the weekly charge (weekly rental) and 1/160th of the 4 week charge (4 week rental) plus all taxes.
- Equipment is to be returned with all fuel tanks full or Customer will be subject to re-fueling charges.
- If Equipment is not returned as specified by the end of the Rental period, Customer agrees that Westcon, in it’s sole discretion, may require the customer to do any of the following: 1)for periods less than 1 day, pay the full daily rates applicable to the Equipment, 2) continue to pay the rates applicable to the Equipment as specified on the front page of this Rental Contract, or 3) pay any increased rates in effect at the time of , or after, the expiration of the Rental Contract.

## 3. Condition/Inspection of Equipment:

- Customer acknowledges that he/she has inspected, or has had the opportunity to inspect the Equipment, and has received the Equipment in satisfactory mechanical and physical condition. The Customer warrants that the Equipment is suitable for his/her needs, and that the Customer is familiar with the operation and use of all Equipment specified on this Rental Contract.
- In the event that the Equipment malfunctions or requires repair, the Customer shall immediately cease to use the Equipment and notify Westcon. If the malfunction or repair is the result of normal operation Westcon will, at its sole discretion, repair the Equipment or replace it with similar Equipment if available. Customer’s sole remedy for any defect or failure in Equipment will be the termination of rental charges accruing after time of failure.

## 4. Delivery/Return of Equipment:

- The Customer releases and discharges Westcon from any and all liability and/or damages arising out of delivery delays or unavailability of replacement Equipment, which may result from Westcon’s failure or inability to deliver or supply any Equipment by a specified date or time.
- When Rental Period expires, Customer shall notify Westcon and return the Equipment to Westcon or make suitable arrangements for Westcon to pick up Equipment during normal business hours. The Equipment shall be in the condition and repair as when Customer took delivery from Westcon. Customer shall be liable for all damages to or loss of the Equipment from the time the Equipment leaves Westcon’s facilities until the Equipment is returned to Westcon during normal business hours.
- If Equipment is returned damaged or worn excessively, Customer shall be responsible for the cost of repairs and will pay rent on the Equipment until all repairs have been completed.

## 5. Risk of Equipment Loss/Destruction:

- In the event of loss or destruction of Equipment, or if Customer is for any reason unable or fails to return Equipment to Westcon, Customer is solely responsible for and agrees to pay Westcon the full replacement value for such Equipment as well as any expenses for loss of use and the full Rental Rate as specified until Equipment is replaced.

## 6. Ownership and Use of Equipment:

- Customer acknowledges that all Equipment is the property of Westcon.
- Customer warrants that any person operating the Equipment has been fully trained and is qualified in the safe and proper use thereof. Customer warrants that only the Customer’s employees, authorized agents or employers who have reached the age of majority by law, have a valid operators license relative to the Equipment and who are in compliance with the law, will operate or use the Equipment and must do so with the Customer’s approval
- Customer agrees to comply with any and all applicable federal, provincial, territorial, local or municipal regulations, statutes, by-laws, ordinances rules and orders including those related to occupational health and safety that may be in effect and apply to the Equipment.
- Customer agrees to perform at Customer’s expense all maintenance required to keep the Equipment in good working order and in compliance with all normal and periodic maintenance schedules established in the manuals for the Equipment. Customer agrees to clean and visually inspect the Equipment daily and to immediately notify Westcon when Equipment needs repair or maintenance. Customer acknowledges that Westcon has no responsibility to inspect the Equipment while it is in Customer’s possession.
- Westcon reserves the right to replace any Equipment with other similar Equipment for any reason at any time.

# Rental Agreement (continued)

## 7. Requirement for Customer Insurance Coverage:

- The customer agrees to provide and maintain, at the Customer's sole cost adequate physical damage, property damage, liability, public liability, and casualty insurance. Any Equipment specified on this Rental Agreement shall be insured for its full replacement cost. The Customer shall provide to Westcon proof of such insurance by a Certificate of Insurance which sets out clearly the coverage for the Equipment and naming Westcon as loss payee and as an additional insured. The risk and liability to any injury or damage to the Equipment from any source or cause whatsoever until the Equipment is returned to Westcon shall be borne by the Customer and the amount of such damage shall be paid to Westcon by the Customer upon demand.

## 8. No Purchase Option:

- Unless the Customer has entered into a specific separate agreement signed by Westcon, the Customer has no option or right whatsoever to purchase the Equipment. This Rental Contract is not a contract of sale, and title to the Equipment shall at all times remain with Westcon.

## 9. Signing Authority:

- Any individual signing this Rental contract represents that he or she has the authority and power to sign this Rental Contract on behalf of the Customer, and that he or she is of legal age.

## 10. Disclaimer of Warranty:

- Westcon makes no warranties of merchantability of the Equipment either expresses or implied or of the fitness of the Equipment for any particular use or purpose. Westcon makes no warranty or representation that the Equipment is fit for the Customer's use, or that it is free of defects. The Customer acknowledges that Westcon is not a manufacturer of the Equipment, and that Westcon will not be liable for any claims for injury, property damage, parts, labor, delay or business interruption by the Customer or third parties.

## 11. Customer's Indemnification:

- Customer acknowledges and assumes all risks inherent in the operation and use of the Equipment by the Customer, and will take all necessary precautions to protect all persons and property from injury or damage from the Equipment. Customer agrees to reimburse, indemnify, hold harmless and defend, at the Customer's sole expense, Westcon, its officers, directors, agents and employees against all losses, liabilities, damages, injuries, demands, costs, expenses (including solicitor fees and any loss of profits) claims, fines, settlements or penalties arising from, or in any way connected to this Rental Contract and the use, maintenance, operation, possession or rental of the Equipment.

## 12. Events of Default:

- Customer shall be deemed to be in default of this Agreement: if Customer fails to pay any amount when due; if Customer breaches any terms of this Agreement; if the Customer becomes insolvent, ceases or threatens to cease doing business; if any bankruptcy, reorganization, insolvency, liquidation or other proceedings for the relief of debtors are instituted by or against the Customer; if a receiver, trustee, liquidator or other person with similar powers is appointed with respect to the customer; if the Customer is in default with any other agreement with Westcon.

## 13. Remedies of Westcon:

- In the event of Customer's default as specified herein, Westcon may do any one or more of the following: 1) terminate the Rental period without notice to the Customer and Customer shall remain liable for any loss or damage to the Equipment notwithstanding such termination. 2) declare the entire amounts due hereunder immediately due and payable and commence any required legal action therefore. 3) take any steps necessary to recover the Equipment if it is not returned as required, including directing Westcon's employees or agents, without notice or legal process to enter upon Customers' property and retake and repossess the Equipment. Customer shall pay all costs and expenses incurred by Westcon in retaking and repossessing. 4) pursue any other remedies available by law.

## 14. Lending or Subletting:

- Customer shall not sublease, subrent, loan or assign the Equipment without first obtaining the written consent of Westcon. Customer agrees to keep and use the Equipment at the site set forth in this Rental Contract unless Westcon approves otherwise in writing.

## 15. Payment/Interest/taxes:

- All amounts due and specified on this Rental Contract are payable in full within thirty (30) days from the date thereof, and if such amount is not paid within thirty (30) days, Customer agrees to pay interest at the rate of 2% per month (a nominal rate of 24% per annum), calculated and payable monthly, on any such past due amounts.
- Rental rates and charges do not include sales tax, GST, or any other tax or assessments which may be payable in respect of this Rental Contract.

## 16. Entire and Only Agreement:

- Customer acknowledges that the terms and conditions of this Rental Contract represent the entire agreement between the Customer and Westcon with respect to the Equipment and the Rental of the Equipment. No other warranties, representations or agreements have been made except herein. Any use of the customer's purchase order number on this Rental Contract is for the Customer's convenience only. The terms and conditions contained in this Rental Contract shall control over any conflicted pre-printed terms and conditions contained in Customer's purchase order or any similar documents.
